Change
Notification
PCN08044

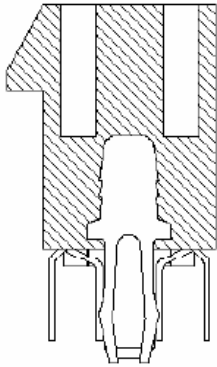

Product:	PCIe		Part Numbers Concerned:	See attached list
Product Manager:	Alan Lo		Issue Date:	March 28, 2008
			Page(s):	1/3
Distribution:	GLOBAL			

Subject
Product Design Change

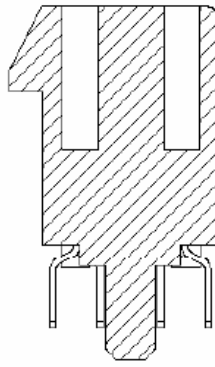

Nature of Change:

Since the global raw materials are rising up rapidly, FCI decided to implement product design change to improve the manufacture process, and increase the efficiency to secure our service and maintain long term relationship with customers.
