A technical line drawing of a mechanical part. The part features a central vertical cavity with a ribbed base. A central vertical structure with horizontal slots runs through the cavity. The base of the part has a rectangular cutout with a 'X' marking. On the right side, there is a vertical column of seven circular holes, each with a crosshair inside, used for alignment. A horizontal dimension line at the bottom indicates a width of 18.00. There are also two small rectangular cutouts on the left side of the base.
