Highlights

For use with B006-004-R USB KVM

Connects a USB Computer to the B006-004 KVM Switch

Required to connect a computer to the B006-004-R KVM switch

Description

Tripp Lite's 6-ft. USB KVM cable kit connects a USB computer to a B006-004-R KVM switch. The KVM switch side of the cable kit consists of a USB Type B Male cable and a SVGA (HD15) Female monitor cable. The computer side of the cable kit consists of a USB Type A Male cable and a SVGA (HD15) Male monitor cable. All cables are manufactured from superior molded cable with integral strain relief and foil shielding for maximum EMI/RFI protection. Tripp Lite warrants this product to be free from defects in materials and workmanship for life.
